Just like at home our club always has work that needs to be done. Join us on Saturday, September 9th at 9:00 am— Let's shorten that To Do List! All skill levels needed.

Inland Waters League

Discussions have begun regarding the upcoming IWL and our participation. It is evident that we need more members to participate in the league as both shooters and directors. Once a year we are host to this league which brings shooters from all over the area to Hol-Field enjoying our facility and spending money in our club. How do we only have 5 to 7 shooters from Hol-Field doing the same at other clubs? This league deserves better and the board will be listening for feedback from members. Commitment of member participation is what we are hoping for, otherwise hard decisions will have to be made.

Freshwater Fishing Days

Get your fishing poles ready and gather up your family & friends as free freshwater fishing is scheduled for June 24th and 25th in NYS. Its been beautiful weather lately, get out and enjoy what NYS has to offer. Visit dec.ny.gov for more information.
